Nigeria Limited

About

2018

Cocreators Built Nigeria Limited is a leading provider of comprehensive telecom maintenance solutions, specializing in the seamless operation, upkeep, and optimization of telecommunication infrastructure. With a steadfast commitment to quality, innovation, and reliability, we have emerged as a trusted partner for telecom providers across the nation.

Our depth of expertise is our focal strength in delivering impeccable services that drive business sustainability for stakeholders. CCBNL has grown into one of the industry leaders in non-routine maintenance and civil works at telecom sites. We strive to set new benchmarks in service quality, innovation, and customer satisfaction, paving the way for a connected world with seamless communication networks.

vision

To be the foremost choice for
telecom maintenance services and
property management globally.

COCREATORS **BUILT**

Mission

Partnering with clients in creating value,
quality outputs, and timely delivery for better
performance.
